Chapter 1 by Story Wars

I am Winter Vorgard, and I am running for my life.

But I can't start there, can I?

I'll start on the day of my turning, two months ago, which feels like an eternity now. When I had a normal life. You try to keep up.

Two Months Ago....

"I cannot believe I'm doing this," I confessed to my best friend, Leia. She and my friends Anna, Tiffi, Izzy, Madalyn and I were all going into the Nepermis Forest. I know, I know. What's so scary about a dumb forest? Well, the Nepermis Forest was no "dumb forest." This place was creepy. People would come in, and never come out. There were rumors of ghosts, werewolves, and immortal creatures of the night that would come feast on the unfortunate traveler's soul. And "nepermis" is the Romanian word for forbidden, so the place is literally "the Forbidden Forest." "Wait, you don't really believe all that junk about hombres lobo and espíritus and vampiros, do you?"

"What? Of course not. I did an entire study on vampires and strigoi for no reason," I said in an attempt at sarcasm while everyone else stared at Anna, trying to figure out what the heck the

Cuban had just said.

"Maybe I can meet up with the person who said that," I said. Tiffi had played a werewolf act with us for a while. "But seriously!" I half-whispered to the others. "This is creepy."

Everyone agreed quietly, for the sheer eeriness radiating from the gnarled oaks seemed overpowering.

And then the stupidest idea ever came to mind.

"We should split up into groups of two. Anna and Izzy, Leia and Madalyn, and Tiffi and I."

"Oh, yeah, okay, if we want to DIE!" Madalyn burst out sassily.

I knew she was probably right. After all, Madalyn had seen every horror movie ever created.

We'd discussed how in horror movies you should never split up. She knew what she was doing.

Unfortunately, everyone else did not.

Chapter 2 by Mason Lee

It came out of nowhere.

"Winter! Winter!"

This was the cry of my friend Tiffi. She saw my blood-drained body lying on the forest floor. She saw the two bite marks on my neck. She felt how cold I was.

She knew I was dead.

She knew what I'd become.

"Tiff, what is it? We heard Winter scream!" Madalyn, Izzy, Anna and Leia came running.

Madalyn, Anna, Izzy, go. *Now*. Tell everyone she's dead. EVERYONE." Tiffi said.

"Will somebody please tell me what's going on here?"

"Winter's been bitten by a vampire."

Chapter 3 by Mason Lee

I woke up on the cold floor of a large cave. Tiffi was sitting by a fire, roasting something that smelled like....

"Is that steak?"

"Oh, good, you're awake," Tiffi replied. "I've been waiting for you."

"What happened? Why am I here? Where are Izzy and Anna and Madalyn and Leia?"

"Listen, I'll explain everything. You got turned into a vampire in the Nepermis Forest. Only the others, my mom, and Halley know what happened. They told everyone else you were dead.

Halley and I are the werewolf princesses, and we're hiding you from our dad, King Remus. He wants to kill all vampires."

Tiffi's adorable little sister, Halley, looked sad, but she didn't look... normal.

Now that I thought about it, she didn't look like a normal girl. Her hair was red and Halley's yellow.

Their teeth were too large and sharp. And their ears...

I shrieked as I looked on top of Tiffi's head and saw black wolf ears, a black wolf's tail protruding from her butt.

Of course then I fainted.

Weakling.
